

DIANE BARDSLEY

HALL OF FAME INDUCTION 2024

Diane and I became friends on the shuffleboard courts. We were both from different parks but started going to tournaments about the same time.

Diane became a pro in 2008/2009. I remember at that time a group of us were all trying to get that last point for pro. Bob needed one point and rather than put the pressure me, Diane was volunteered, and she and Bob got his point. So who does Bob draw when Diane needs ONE point to make her 100 pts for the Hall Of Fame?

Yes. you guessed it, and now the pressure was on Bob,..and here we are!

Diane and her husband, Vince live in Williamsport, Pa home of the Little League World Series, Diane retired from teaching 23 years of high school Family and Consumer Science, (aka Home Economics). They have spent many years traveling with a motor home around the US, Canada and beyond, Another hobby that both Diane and Vince enjoy is duplicate bridge.

Diane also plays in State tournaments and has accumulated over 150 points. She is a great partner to have because when we lose she has all the reasons why.. If you ever play with Diane you might hear her say .. I'M gonna miss it, I'm not going to get there. I'm going in the kitchen! Or : I forgot my Pepsi, My cue is crooked, and I need to eat. I can't do anything if I'm hungry.

But, all kidding aside Diane is always fun to play with and is a great friend and partner to have on and off the court; Please join me in

welcoming my friend and partner, DiANE BARDSLEY for induction into the Central District Hall of Fame.
