

Hall of Fame Presentation  
Of  
David Earle

It is my pleasure to present Davis Earle to the Central District Hall of Fame as past President.

Not only did David Earle serve his term as president, he also stayed on an extra year to give me a year of experience on the board.

David did an excellent job for three years directing the business of the Central District.

Thank you, David.

Bob Marshman  
President of the Central District,
