Presentation

Of

Sue Krynak

I first met Sue Krynak on the shuffleboard courts in our park- Sanlan. She was friendly & helpful about shuffleboard both on and off the courts. She is an excellent pro shuffler who promotes shuffleboard. Sue & Jerry (her husband) invited my husband Henry & myself to go to the Hall of Fame Classic one of first years we were playing shuffleboard. What an eye-opener and an attitude adjustment we received. BUT it kept us coming back time and again to the game of shuffleboard. Sue is friendly, humble about her contributions to shuffleboard and a dedicated hard worker for her position in the executive of the Central District and her work on the Reiny Tournament. I am honoured to be able to present Sue Krynak to the Hall of Fame.
