

## BOB MARSHMAN CENTRAL DISTRICT HALL OF FAME

### PLAYER 2019

It is my pleasure to present Bob for induction into the Central District Hall Of Fame. Bob grew up on a dairy farm in upstate New York and graduated from the 2 yr Ag school at Cornell University. He and his brother became the 5<sup>th</sup> generation to run the family farm. It continues today with our two sons and 2 grandsons milking 450 registered Holsteins 3 times a day along with growing and harvesting 1300 acres of crops.

Bob started shuffling in 2004 after taking lessons from Marshall Ley a pro in our park. Bob played in many tournaments, but the one he enjoyed the most was being the District Amateur Reiny Champion in 2007. He followed the next year as a State Amateur Runner-Up in 2008.

As a Pro, Bob has placed and won many State and District tournaments. In 2013 he won the Florida Pro Non-Walking Singles Championship and has collected 83pts in State Competition.

Bob has always been a strong advocate for shuffleboard. At the local level he has been a director of the Zephyrhills Shuffleboard Club and is now completing his 2<sup>nd</sup> term as president of Winter Shuffleboard Club. Bob was also been vice president and then president for 2 years of the Central District Association. In the past few years we have traveled to England and Vienna, Austria to compete and promote the game of shuffleboard. Together we started a shuffleboard club 12 years ago in our hometown of Oxford, NY.

Bob has always enjoyed the social aspect of shuffleboard and the chance to tell you about our 3 children, 6 grandchildren and 2 great grandchildren and of course the family farm.

Now, I present to you my very SPECIAL partner **BOB** for induction into the Central District Hall of Fame.
