

March, 2018.

It is my pleasure to introduce my friend and shuffling partner,  
**LINDA MARSHMAN.**

Linda is from OXFORD, NY, where she lives on the family farm. Her 2 sons are 6<sup>th</sup> generation dairy farmers, who run the family farm (with help from Mom and Dad in the summer). Her daughter is a Kindergarten teacher, and Linda has 6 grand children as well as 2 great grand children. She was a Physical Education teacher for 25 years, perhaps part of the reason she is so good at this game!

Linda has been playing shuffleboard in the Central District Tournaments for about 10 years. She played in the CD Masters 6 times and has her name on the trophy in 2013.

She won the Reiny/Masters as a STATE AMATEUR in Avon Park in 2008 and also won the Fl State Am Singles that same year.

She was inducted into the Fl State Hall of Fame in Jan of this year, so this is her year for Halls of Fame!

All these accomplishments mean that Linda has been spending a great deal of time playing shuffleboard but we must also mention her dedication in many other ways to the promotion and excellence in shuffleboard. She and I have given annual introductory shuffle classes in a number of parks in our city, upon request. She and her husband Bob, have founded a club in their home town of Oxford, 8 yrs ago, which is ongoing. She also is on the executive in Winters Park.

Linda has participated in several International events, one of which will be happening in April this year. She and I, together with our husbands & a group representing North America, will travel to England & Austria to play and promote the game with new organizations in those countries.

Linda has been and continues to be a strong promoter of shuffleboard and has definitely earned her 100 points.

It is my distinct honor and pleasure to present my friend, LINDA MARSHMAN, for induction into the Central District Hall of Fame.
