

HALL OF FAME PRESENTATION FOR JOAN MONDRY

Joan came to Florida with her husband Jim from Wisconsin at the end of December 2002. They became Florida residents in 2008. They were anticipating playing a lot of golf.

In the meantime, they were looking for horseshoe courts and stumbled across the Sebring Recreation Club. In that encounter, they met Max Tate and John Bushee who both invited them to come watch and perhaps learn the game of shuffleboard.

They came back to the club on two Saturdays and Max and John began teaching them about how this game of shuffleboard was played. That was the beginning of shuffleboard and golf was put on the back burner.

They placed in a NOVICE tournament held at the Sebring Recreation Club in 2005.

Joan received a Reiny/CD Master trophy as an Amateur in 2008 and one as a State Amateur in 2010. She has also received several Masters pins over the years. She became a Pro in 2010.

Joan has been a member of the Sebring Recreation Club and has served as a volunteer for many years including past President of the club and a board member.

It is my pleasure to introduce Joan to the Central District Hall of Fame for 2023.

(Introduced by Keith Morton)
